INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

For the benefit of the Examiner, applicant encloses a copy of applicant's U.S. Patent 5,674,125 to Xia et al. which was incorporated by reference in the application.

Applicant also encloses a copy of U.S. Patent 4,887,438 to Meckler which is directed to a desiccant assisted air conditioner. The desiccant assisted air conditioner provides heat exchange between an exhaust airstream 38 and outside air.

A copy of U.S. Patent 5,003,951 to Besik is enclosed and is directed to two matrix containers housing stationary matrixes of solid material and transferring energy from combustion products and exhausted air to incoming makeup air. A heat wheel is not shown, heat exchange with bathroom exhaust is not shown and the monitoring and modulation aspects of the application are not shown.

2

The foregoing are enclosed solely to comply with applicant's duty of disclosure and are not considered particularly relevant to the present invention.

Respectfully Submitted,

A handwritten signature in cursive script, appearing to read "William O'Driscoll".
